

RUN TO AFRICA

Playing for Life is organising a series of 'Run to Africa' Races across Ireland during the coming months. Local groups and sports clubs will co-ordinate the events and there is bound to be one near you!

So check out our website on www.runtoafrica.org over the coming weeks and keep watch for new dates and further information about the projects!

Playing for Life works with underprivileged African communities providing Vocational (skills Training) Schools and education and a health awareness programme through sport.

Our aim is to help as many people as possible to gain the skills necessary to earn a living and stay in their communities rather than drift into urban slums. We use Sport and sports people to deliver a specially designed programme with a strong message regarding Aids and other health and social issues.
